Pantai Lima

WEDDING AND EVENT INFORMATION

THE LUXE NOMAD

Introduction

Pantai Lima is an exclusive estate of luxury villas approached through 4 km of rice fields and built right on the beachfront at Pererenan, an unspoilt fishing community. It's only a short drive north of Seminyak, Bali's centre of sophisticated shopping, restaurants and nightlife. Pantai Lima's five villas are individually designed and completely different from each other. They successfully blend Balinese and Javanese nuances with the latest in western creature comforts to provide relaxed but luxurious surroundings.

Each villa is truly spacious, beautifully appointed and completely private. Gardens and pools are satisfyingly expansive, and each villa has views of the ocean. You cannot get any closer to the beach than this – you simply step off your lawn and on to the sand, making Pantai Lima the ultimate seaside holiday. Pantai Lima is the perfect location for your wedding, birthday or event of any kind.
